

<b>Catalog. No.</b>	77200-001665	<b>Accessories</b>
<b>Product description</b>	Up to 30 cm depth injection shank	
<b>To harness on a</b>	150 x 150 mm bar	
<b>Includes</b>	Screws and opposite plate	

<b>Catalog. No.</b>	77200-001650	<b>Accessories</b>
<b>Product description</b>	Up to 50 cm depth injection shank	
<b>To harness on a</b>	150 x 150 mm bar	
<b>Includes</b>	Screws and opposite plate	

<b>Catalog. No.</b>	77200-001666	<b>Accessories</b>
<b>Product description</b>	Up to 50 cm depth injection shank, up to 35 mm diam dripperlines	
<b>To harness on a</b>	150 x 150 mm bar	
<b>Includes</b>	Screws and opposite plate	

<b>Catalog. No.</b>	77200-001470	<b>Accessories</b>
<b>Product description</b>	Wheel unit for subsurface installation of dripperlines laid on surface	
<b>To harness on a</b>	150 x 150 mm bar	
<b>Includes</b>	Screws and opposite plate	

<b>Catalog. No.</b>	77200-001450	<b>Accessories</b>
<b>Product description</b>	Assembly for 1 carton or plastic coil 560 mm diam	
<b>To harness on a</b>	150 x 150 mm bar	
<b>Includes</b>	Screws and opposite plate	

<b>Catalog. No.</b>	77200-001455	<b>Accessories</b>
<b>Product description</b>	Assembly for 3 carton or plastic coils 560 mm diam	
<b>To harness on a</b>	150 x 150 mm bar	
<b>Includes</b>	Screws	
<b>Catalog. No.</b>	77200-001460	<b>Accessories</b>
<b>Product description</b>	Assembly for 1 thick-walled dripperline coil, collapsible coil	
<b>To harness on a</b>	150 x 150 mm bar	
<b>Includes</b>	Screws and opposite plate	
<b>Catalog. No.</b>	77200-001323	<b>Accessories</b>
<b>Product description</b>	Pneumatic depth wheel adjustable assembly	
<b>To harness on a</b>	150 x 150 mm bar	
<b>Includes</b>	Screws, opposite plate and adjustable screw lever	
<b>Catalog. No.</b>	77200-001370	<b>Accessories</b>
<b>Product description</b>	Worker platform	
<b>To harness on a</b>	150 x 150 mm. bar	
<b>Includes</b>	Screws and opposite plate	
<b>Catalog. No.</b>	77200-001695	<b>Accessories</b>
<b>Product description</b>	Platform for storage of bundled thick-walled dripperlines coils (for replacement throughout the installation process)	
<b>To harness on a</b>	150 x 150 mm bar	
<b>Includes</b>	Screws and opposite plate 2 platform units	

<b>Catalog. No.</b>	77200-001668	<b>Accessories</b>
<b>Product description</b>	Furrower with pressure spring Furrower wide: 15 inch	
<b>To harness on a</b>	150 x 150 mm bar	
<b>Includes</b>	Screws and opposite plate	

<b>Catalog. No.</b>	77200-001730	<b>Accessories</b>
<b>Product description</b>	Furrower with pressure spring Furrower wide: 18 inch	
<b>To harness on a</b>	150 x 150 mm bar	
<b>Includes</b>	Screws and opposite plate	

<b>Catalog. No.</b>	77200-001740	<b>Accessories</b>
<b>Product description</b>	Dripperlines guide for burying machines	
<b>To harness on a</b>	150 x 150 mm bar	
<b>Includes</b>	Screws and opposite plate	

<b>Catalog. No.</b>	77200-001663	<b>Accessories</b>
<b>Product description</b>	Cover legs	
<b>To harness on a</b>	150 x 150 mm bar	
<b>Includes</b>	Screws	

<b>Catalog. No.</b>	77200-001692	<b>Accessories</b>
<b>Product description</b>	Pair of cones and tensor device for retrieving thin and medium walled dripperlines at the end of their service cycle	 

<b>Catalog. No.</b>	77200-001685	<b>Accessories</b>
<b>Product description</b>	Pair of cones and 2 metal sides (1.20 m diam) for retrieving thin, medium and thick walled dripper-lines at the end of their service cycle	

<b>Catalog. No.</b>	80600-002600	<b>Coil parts</b>
