Health, Safety and Environmental (HSE) Statement Policy

LEADING THE IRRIGATION INDUSTRY COMES WITH RESPONSIBILITY

NETAFIM MANAGEMENT AND EMPLOYEES ARE COMMITTED TO HSE EXCELLENCE THROUGH THE FOLLOWING PILLARS:

Employee Health

Prevent accidents & illness by controlling work-related hazards, thus reducing health and safety risk levels

Safe workplace

Provide a safe and healthy workplace and implement programs designed to protect employees and contractors from harm

Sustainable products

Design, manufacture and distribute products that contribute to efficient irrigation and farming – "Grow more with less"

Sustainable operations

Implement production methods that use resources efficiently, while preventing pollution and protecting the environment

Compliance

Comply with all applicable regulatory requirements and obligations

Management system

Maintain an effective HSE management system according to the principles of international standards

Communications and Engagement

Communicate and engage our partners through the supply chain; consult and share with our employees the principles of this policy, continuously improving HSE behavior and performance
